

8500P | CENTER PIVOT

TECHNOLOGY... STRENGTH...
ZIMMATIC VALUE

8500P – Value and strength

The 8500P irrigation system now adds even more value to your growing process, with new and improved components.

STRUCTURE

Quality materials at a value price.

- High tensile strength 11/16-inch truss rods
- 8500P exclusive truss design and truss rod pockets
- Full complement of tower options – low, standard, medium- or high-clearance
- Crossed tower braces provide more support for torsional loads
- Zimmatic's exclusive Uni-Knuckle span connection offers full support, stress-free flexibility and external design to eliminate flow restriction
- Optional 8500P compact pivot point allows use of competitive pivot pads with a smaller footprint, reducing installation costs
- Attractive, uniformly arching spans

PIPE

The 8500P's pipes have been tested to ensure quality and meet the Zimmatic standard of durability.

- Diameter of 6-5/8 inches
- Competitive 12-gauge pipe and tower joints
- Zimmatic's 9500P pipeline can be used in place of the 8500P pipe, for machine flexibility and ease of service
- High tensile strength steel provides longevity

Full Flow Collector Ring

Easy to Use GrowSmart Control

Flexible Uni-Knuckle Span Connector

Optimized Span Design

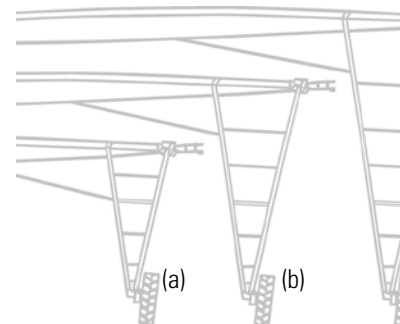

The 8500PL incorporates a 9500 pivoting lateral cart with 8500P spans for a low-cost, introductory level lateral move system.

Optional Tower Heights

With the value of 8500P, you get all the options you'd want from top-of-the-line systems. Choose the tower height that's right for your crops: Low, Standard (a), Medium-clearance (b) or High-clearance (c).

An international irrigation leader

Lindsay continues to be a leader in technological innovations – developing systems that increase irrigation efficiency, boost productivity and reduce energy and labor costs. With hundreds of dealers across the world as well as strategically located parts distribution centers, we offer growers immediate certified service, customer training and helpful advice.

To find out how to save water and energy while achieving higher yields with the 8500P center pivot, visit www.zimmatic.com or talk to your local Zimmatic® by Lindsay dealer.

THE LINDSAY ADVANTAGE

STRONG • LONG LASTING • DURABLE • RUGGED • EASY TO USE •
PLUG-AND-PLAY FAMILY OF ADD-ONS
